EXHIBITION SIGNIFICANT S E C T O R S

SERVICE & MAINTENANCE

Support the maintenance and repair of the equipment thereby, enhancing their performance and uptime. They will ensure your product is safe, reliable. They are responsible for maintaining and repairing industrial processes' equipment, tools, and systems. For the longer life of the equipment, proper maintenance is required.

MECHANICAL REPAIR

Repair and maintenance are essential to mitigate corrosion, increase safety, reliability, and reduce expenses long term. Equipment maintenance is not just a must, but it is also a significant economic opportunity. When done well, companies can obtain the operational efficiency needed to navigate through volatile oil markets by extending the life of their equipment.

R & D / SCIENTISTS/ STANDARDS

They set the standards for the equipment design and technology. They are the ones whose efforts bring improvements in the equipment.

WELDING

Technological development has become linked to everything as welding technology has developed significantly. Global manufacturers, regional and local suppliers in addition to Service providers, all of them come together in one place to deliver the latest solutions. Experience the power of diversity at NDTX and get updates on the latest Welding Technology.

MANUFACTURERS, METALLURGY & CORROSION

Equipment manufacturers, R & D professionals, or service providers, Metallurgy & Corrosion requirements is playing a significant role in such process. The manufactures play a major role in continually evolving the equipment according to the needs of the end-user and the industry.

The leading event for the **North Africa & Mediterranean** Industrial Inspection, Welding Technologies, and Corrosion markets.

Position your brand and enhance your marketing opportunities and communicate with your potential customers.

Exhibition Features

GENERATE QUALIFIED LEADS

75% of the attendance are either a decision maker, purchaser, or an influencer.

| A place to come together to share insights, and concepts, and collaborate to drive progress in Inspection, Asset Integrity, and Non-Destructive Testing

| Ride the transformation wave with NDT Corner EXPO for North Africa and the Mediterranean market in Asset Integrity, NDT, Welding, and Corrosion

| Global manufacturers, Regional, and Local suppliers in addition to Service providers, all of them come together in one place to deliver the latest solutions.

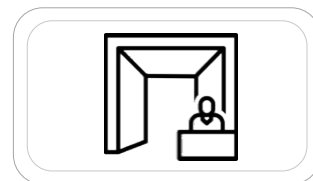

CONNECTIONS Q U A L I T Y

A regional class environment for NDT and Welding across the industry's full chain. The first physical opportunity to GENERATE qualified LEADS from the region. (Africa & ME)

Plant Managers, Procurement Managers, Asset Integrity Managers, Inspection Engineers, Government Bodies, and Industrial Associations mainly NDT heads from the whole Arab and African region, from Energy, Oil & Gas, Aviation, Marine, Manufacturing Power, Automotive, Fertilizer, Cement, Mining, and all industries that require NDT (Egypt, Libya, Algeria, Tunisia, Iraq, Sudan, and the nearest countries plus the GCC)

The NDT-X EXPO is Egypt, Africa, and Mediterranean leading Asset Integrity, Industrial Inspection, Welding, Corrosion, and Mechanical Integrity exhibition and conference.

Position your brand and enhance your marketing opportunities and communicate with your potential customers.

Generate Qualified Leads at the NDT-X Expo provides a regional class environment for trade across the industry's full value chain.

International & Regional exhibiting companies and Arabian & African visitors. NDTX attracts real buying power from around the MENA Region.

THE EXHIBITION

A place to come together to share insights, and concepts, and collaborate to drive progress in Non-Destructive Testing, Industrial Inspection, Welding Technologies, and Corrosion solutions. Whether you're a proficient expert or a newcomer, your perspectives are invaluable.

- Explore opportunities & challenges.
- Attending NDT-X is an exclusive and very effective way to meet, network and exhibit your product and solutions to the most relevant audience.
- Discuss business opportunities for ongoing and upcoming projects.
- Prominent marketing benefits and exposure
- Meet investors, buyers, and industry experts.

Visitors

Access to the entire technical program and exhibition area. Connecting solutions providers with end users.

Speakers

Speak at the regional's leading Industrial Inspection conference and show and to present the paper in the technical program.

Entertainment

Access to lunch, dinner, and entertainment program. A CLUB corner lounges or areas, which can provide a more comfortable and private space to relax and discuss deals.

Participate at the NDTX Expo & Conference to enhance your marketing opportunities and communicate with your potential customers in the industry and oil & gas sector from both the public and private sectors in Egypt, Libya, Tunisia, Algeria, Sudan, and the connected countries!

ONE TO ONE NETWORKING

Meet with the regional & international oil and industry players, government representatives and technology associated.

Dynamic
discussion on
advancing the
N D T,
Asset Integrity,
Welding,
Materials
Corrosion.
