Connecting Expertise, Technology, and Industry!

About NDTX

The MENA's leading NDT, Welding, Corrosion, Asset Integrity, and Industrial Inspection Exhibition & Conference. A premier international platform driving strategic dialogue on digital transformation, bringing together leaders, innovators, and stakeholders from across sectors to engage in high-impact discussions, share insights, and catalyze cross-sector collaborations!

ONE-ONE NET WORKING

Meet the key regional O&G and industry players, government representatives and technology associated.

2026

4 CORE SPECIALTIES ONE POWERFUL PLATFORM

NDTX Expo 2026 brings together the key disciplines that ensure the safety, reliability, and performance of critical assets.

NDT

Advanced inspection technologies that detect flaws, verify integrity, and ensure compliance without damaging assets.

- ✓ Inspection Equipment & Technologies
- ✓ Testing Services & Solutions
- ✓ NDT Software & Data Analysis

CORROSION

Solutions and technologies that protect assets from corrosion, extend service life, and reduce operational risk.

- ✓ Coatings & Linings
- ✓ Cathodic Protection Systems
- ✓ Corrosion Monitoring & Inhibitors

INTEGRITY

Strategies and technologies to assess, manage, and optimize asset performance across its entire lifecycle.

- ✓ Integrity Management Solutions
- ✓ Risk-Based Inspection (RBI)
- ✓ Data Management & Analytics

WELDING

Innovative welding equipment, materials, and services that ensure strong, reliable, and high-quality joints.

- ✓ Welding Equipment & Accessories
- ✓ Welding Consumables & Materials
- ✓ Automation & Robotic Welding Solutions

WHO CAN PARTICIPATE?

EXHIBITORS

Companies providing products, technologies, and services across these specialties.

SPONSORS

Organizations looking to increase brand visibility and connect with industry decision-makers.

VISITORS

Industry professionals, end-users, asset owners, and decision-makers seeking solutions.

WHY PARTICIPATE?

Reach a highly targeted industry audience

Build valuable connections & business partnerships

Showcase your latest innovations & solutions

Strengthen your brand presence in the region

BE PART OF THE REGION'S LEADING EVENT FOR **INSPECTION, CORROSION, ASSET INTEGRITY, AND WELDING EXCELLENCE.**

NDT^X 2026

TECHNICAL CONFERENCE

Where Knowledge, Innovation, and Industry Meet.

A Global Platform for Technical Excellence

Conference Topics Guide:

- **Advancements in NDT & Quality Control systems.**
- **AI, Robotics, and Digital Transformation in NDT.**
- **Welding Technologies & Innovations.**
- **Asset Integrity, Corrosion Management & Predictive Maintenance.**
- **Sustainability, Energy Transition & Industrial Safety.**

JOIN AS A **SPEAKER**

Speak at the regional's leading Industrial Inspection conference and present the paper in the technical program - submit a proposal to be part of the technical program and share your knowledge, experience, and solutions with industry colleagues from around the world.

Conference Features:

Global Speakers

Learn from industry pioneers and leading experts

Technical Papers

Access groundbreaking research and applied case studies

Panel Discussion

Engage in dynamic dialogues on challenges and innovations

Networking Opportunities

Connect with professionals and organizations worldwide

Call for Papers - Now Open!

Be part of the conversation. Share your expertise, present your research, and help shape the future of NDT, Welding, and Integrity.

COMPETITION STRUCTURE

Excellence in Inspection & Welding

INSPECTOR'S CHAMPION

The **Inspectors Competition** at NDTX brings together top talent in Non-Destructive Testing (NDT) from across the nation.

- ✓ PARTICIPANTS will demonstrate precision, technical knowledge, and interpretation skills across various testing methods.
- ✓ This competition highlights the critical role of inspectors in ensuring structural integrity, safety, and compliance across industries.

WHY IT MATTERS:

By showcasing the capabilities of skilled inspectors, the competition elevates standards, encourages best practices, and promotes innovation in NDT methodologies – making it a key attraction for industry professionals, educators, and technology providers.

WELDER'S CHAMPION

The **Welders Championship** at NDTX brings together top talent in Welding from across the nation.

- ✓ PARTICIPANTS will be evaluated on weld quality, safety practices, and adherence to specifications and codes.
- ✓ This high-skill competition underscores the essential role of welders in infrastructure, manufacturing, Oil & Gas, energy, and defense.

WHY IT MATTERS:

By spotlighting welding excellence, the event fosters pride in skilled trades, encourages workforce development, and connects talent with industry leaders. It also serves as a live demonstration of how precision and expertise directly impact quality and safety in engineering.

WHY EXHIBIT AT NDT X EXPO 2026?

Your Strategic Gateway to the **Middle East & Africa's** Industrial Growth

01 MARKET POTENTIAL

THE ENERGY HUB:

Over \$40+ Billion in active oil, gas, and petrochemical investments across Egypt and the Mediterranean region.

MEGAPROJECTS SURGE:

Massive expansion in Green Hydrogen, Nuclear Energy, and mega transportation networks requiring world-class NDT, welding, and asset integrity solutions.

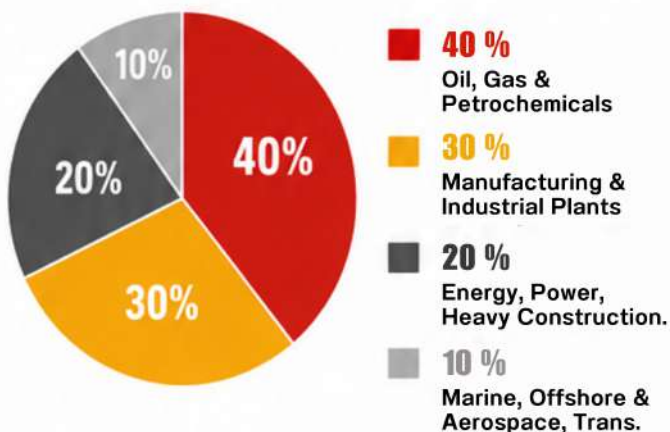

LOCALIZATION & REGULATIONS:

Stricter regional government mandates for quality (QA/QC) and predictive maintenance, opening a massive market for international technology providers.

02 TARGETED VISITOR PROFILE

BY INDUSTRIAL SECTOR

BY JOB FUNCTION & AUTHORITY

03 PREMIUM EXHIBITOR FEATURES

EXCLUSIVE B2B MATCHMAKING

Maximize Your ROI: Don't just wait for visitors at your booth. Gain exclusive access to our pre-scheduled B2B Platform. Book private, one-on-one meetings with official delegations from major regional operators and contractors before the expo doors even open.

COMMERCIAL-TECHNICAL SPEAKING

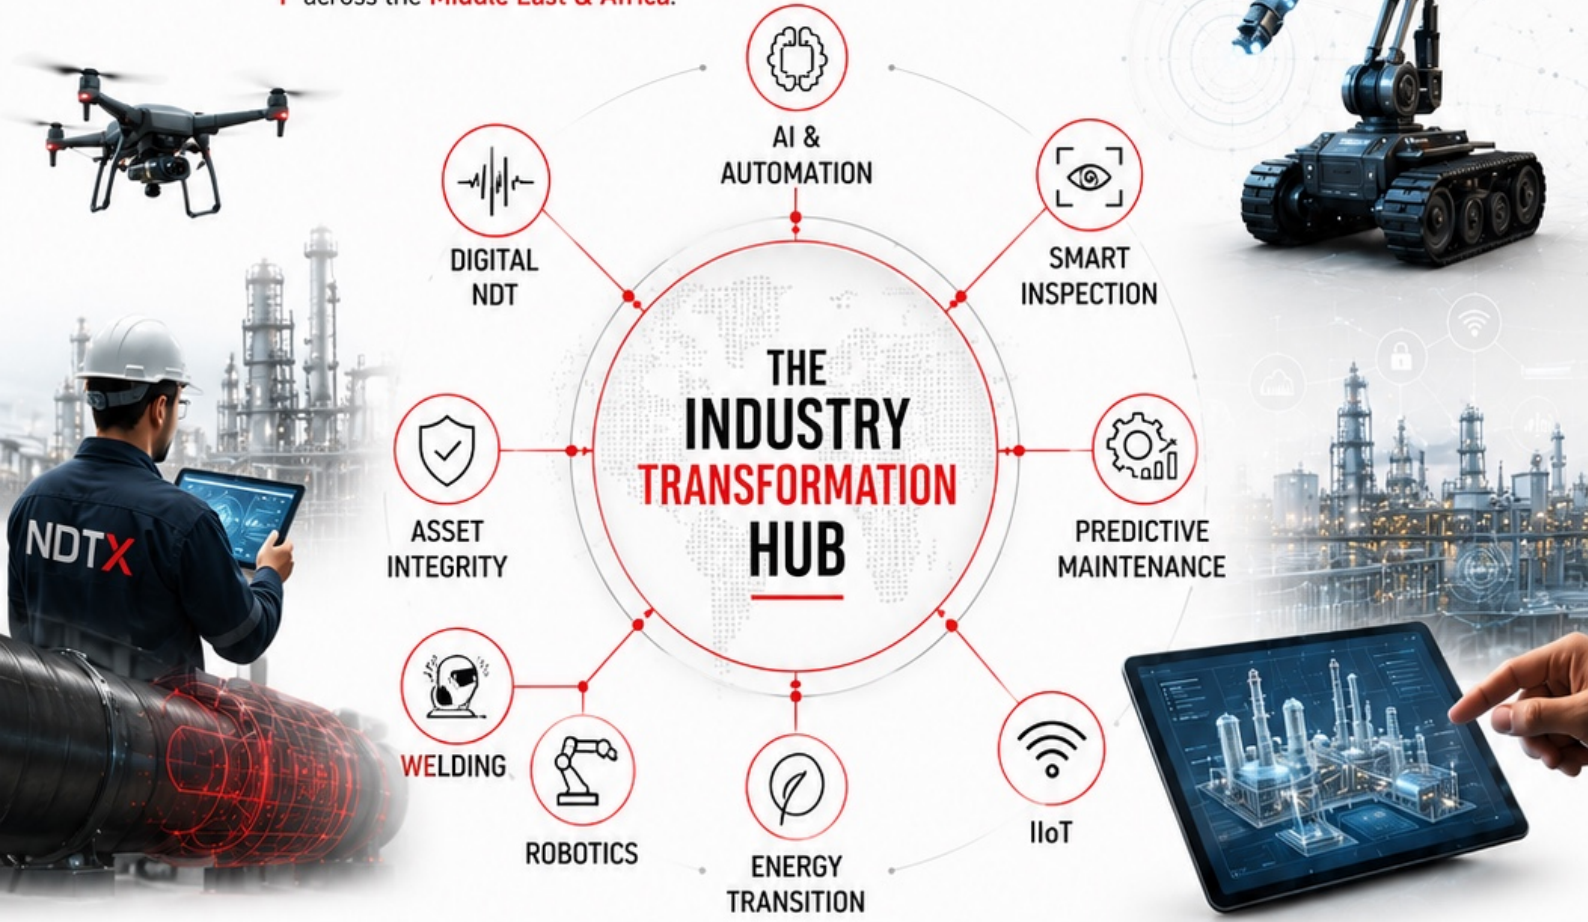

Position as an Industry Leader: The Call for Papers is officially open! As a global manufacturer or service provider, you can submit an abstract to present technical papers on your latest innovations, AI, robotics, or advanced solutions directly to an auditorium full of target clients.

2026

BUILDING THE NEXT GENERATION OF INSPECTION & INTEGRITY

ADVANCING RELIABILITY. TOGETHER!

NDTX brings together technology leaders, asset owners, inspection experts, and innovators to shape the future of industrial reliability across the **Middle East & Africa**.

WHY NOW?

MASSIVE INDUSTRIAL EXPANSION

Large-scale projects and infrastructure development across MENA & Africa creating unprecedented opportunities.

ACCELERATED DIGITAL TRANSFORMATION INITIATIVES

Industries are adopting AI, automation, and digital technologies to improve efficiency and safety.

INCREASING DEMAND FOR INSPECTION RELIABILITY

Higher standards, safety regulations, and operational excellence drive the need for advanced inspection.

GROWING INVESTMENT IN ASSET INTEGRITY & ENERGY INFRASTRUCTURE

Sustainable growth and energy transition require reliable, high-performing industrial assets.
