ABOUT THE COMPETITION

The **NDTX 2026 UT & PAUT Challenge** is the MENA's premier Ultrasonic Testing Championship, designed to highlight excellence, precision and professionalism in ultrasonic testing.

INSPECTOR'S CHAMPION

The **Inspectors Competition** at NDTX brings together top talent in Non-Destructive Testing (NDT) from across the nation.

- ✓ PARTICIPANTS will demonstrate precision, technical knowledge, and interpretation skills across various testing methods.
- ✓ This competition highlights the critical role of inspectors in ensuring structural integrity, safety, and compliance across industries.

WHY IT MATTERS:

By showcasing the capabilities of skilled inspectors, the competition elevates standards, encourages best practices, and promotes innovation in NDT methodologies – making it a key attraction for industry professionals, educators, and technology providers.

WELDER'S CHAMPION

The **Welders Championship** at NDTX brings together top talent in Welding from across the nation.

- ✓ PARTICIPANTS will be evaluated on weld quality, safety practices, and adherence to specifications and codes.
- ✓ This high-skill competition underscores the essential role of welders in infrastructure, manufacturing, Oil & Gas, energy, and defense.

WHY IT MATTERS:

By spotlighting welding excellence, the event fosters pride in skilled trades, encourages workforce development, and connects talent with industry leaders. It also serves as a live demonstration of how precision and expertise directly impact quality and safety in engineering.
